RECORDS: DEALERS AND EXHIBITORS.

Each dealer, other than operators of auction sales and brokers to whom animals are consigned, and each exhibitor shall make, keep, and maintain records or forms which fully and correctly disclose the following information concerning each dog or cat purchased or otherwise acquired, owned, held, or otherwise in his or her possession or under his or her control, or which is transported, euthanized, sold, or otherwise disposed of by that dealer or exhibitor. The records shall include any offspring born of any animal while in his or her possession or under his or her control.

- (i) The name and address of the person from whom a dog or cat was purchased or otherwise acquired whether or not the person is required to be licensed or registered under the Act;
- (ii) The USDA license or registration number of the person if he or she is licensed or registered under the Act;
- (iii) The vehicle license number and State, and the driver's license number (or photographic identification card for nondrivers issued by a State) and State of the person, if he or she is not licensed or registered under the Act;
- (iv) The name and address of the person to whom a dog or cat was sold or given and that person's license or registration number if he or she is licensed or registered under the Act;
- (v) The date a dog or cat was acquired or disposed of, including by euthanasia;
- (vi) The official USDA tag number or tattoo assigned to a dog or cat under Secs. 2.50 and 2.54;
- (vii) A description of each dog or cat which shall include:
 - (A) The species and breed or type;
 - (B) The sex;
 - (C) The date of birth or approximate age; and
 - (D) The color and any distinctive markings;
- (viii) The method of transportation including the name of the initial carrier or intermediate handler or, if a privately owned vehicle is used to transport a dog or cat, the name of the owner of the privately owned vehicle;
- (ix) The date and method of disposition of a dog or cat, e.g., sale, death, euthanasia, or donation.

The facility has an approved variance for a computer software program capturing the acquisition requirements of animals obtained. The facility has not recorded the USDA licenses numbers and/or driver licenses numbers and vehicle license number for a majority of the animals purchased by the facility on the printout of the computer software inventory.

Inspection Report

The facility must record the required acquisition information for all animals acquired to allow USDA APHIS Officials to track animals properly as necessary.

Update the computer software animals on hand inventory to capture the USDA License numbers and/or Driver's License Numbers and vehicle license numbers.

Correct by: 30 August 2007.

Inspection and exit interview conducted with Owner.

End of report.
