

Ask your state legislators to:

SUPPORT LEGISLATION

TO REGULATE DOG/CAT BREEDERS

ISSUE

- Minnesota has some of the largest dog breeding kennels in the nation — housing 600, 800 or more dogs. Kittens are also mass-produced in Minnesota.
- Minnesota has no state laws to license or regulate the dog and cat breeding industry.
- Lack of oversight results in harm to animals.
- Unhealthy puppies, kittens, dogs and cats are sold to unsuspecting consumers.

LEGISLATION

Help pass a Minnesota law that will:

- License commercial dog and cat breeders.
- Inspect dog and cat breeding facilities.
- Enforce standards and existing state laws.
- Impose penalties for violating the law.

HOW YOU CAN HELP

- Learn more at website below and tell others.
- Sign online petition and get updates.
- Contact your legislators. Educate them and ask that they support breeder regulation.
